

The aim of the Poplar Grove Practice is to provide a high standard of holistic primary care to our entitled patients by working together as a cohesive multi-disciplinary team.

Our commitment to you, our patients, is to provide you with the highest possible standard of medical care with an efficiently run and friendly service. You will be treated as an individual with dignity, courtesy and respect at all times, irrespective of your ethnic origin, religious belief, sex or sexuality, personal attributes or the nature of your health problems. We expect to be treated in the same way.
