

POPLAR GROVE PRACTICE - TRAVEL RISK ASSESSMENT FORM

PLEASE COMPLETE 6 WEEKS PRIOR TO DEPARTURE

Please complete this form prior to your travel appointment and return to reception. A form for each family member is required. For longer term/gap year travellers, please note that an adequate programme of immunisation can take up to 6 months. Some immunisations are expensive; see attached price list. **We cannot guarantee last minute appointment availability.**

Personal medical history

Do you have any recent or past medical history? (including diabetes, heart, lung, operations etc.)
List any current or repeat medications
Do you have any allergies for example to eggs, antibiotics, nuts?
Have you ever had a serious reaction to a vaccine given to you before?
Does having an injection make you feel faint?
Do you or any close family members have epilepsy?
Do you have any history of mental illness including depression or anxiety?
Have you recently undergone radiotherapy, chemotherapy or steroid treatment?
Women only: Are you pregnant or planning pregnancy or breast feeding?
Have you taken out travel insurance? If you have a medical condition have you informed the insurance company about this?
Please write below any further information which may be relevant

Vaccination History					
Have you ever had any of the following vaccinations / malaria tablets and if so when?					
Yellow Fever		Polio		Jap B Enceph	
Typhoid		Tetanus		Hepatitis B	
Hepatitis A		Diphtheria		Rabies	
Influenza		Meningitis		Tick Borne	
Other					
Malaria tablets					

I confirm that I am fit and well. I have no reason to think that I might be pregnant. I give my consent to the vaccines being given.

Signed: _____ Date: _____

After completing this form, it should be returned to your surgery. A clinician will contact you to book your appointment and to confirm what immunisations will be required and cost.

- **Payment must be made on arrival. Please ensure you arrive 10 minutes early to enable staff to process your payment. You will be issued with a receipt, which you must show to the nurse before any treatment is administered.**
- **N.B.** If malaria tablets are required there is a separate private prescription charge.

For official use
